### 4.6 Conditions for Continuation of Registration, Termination / Re-start, Probation and Warning

During the first two registered semesters of an undergraduate programme, a student is registered for a total of 34 credits, besides non-graded units. By the end of the first two registered semesters, not including summer, a student is expected to earn a minimum number of credits (excluding non-graded units) as specified in Table, in order to continue registration. If a student does not meet this criterion, his/her performance is classified as "Poor Performance", and he/she may opt to start the programme afresh, or else his/her registration will be terminated. This option to re-start the programme is available to a student only once.

**Table 8: Criteria for continuation at the end of second registered semester**

Description	Earned Credits (excluding non-graded units)		Decision
	GEN/OBC	SC/ST/PD	
Minimum for Continuation	23	19	Continuation of Registration
Poor Performance	≤ 22	≤ 18	Restart (Once only) / Termination of Registration

- (a) If a student chooses to restart after the first two registered semesters, then his / her credits earned and semesters registered will not be carried over. The re-start will be indicated on the transcript. The re-start will be permitted only once. If at the end of two registered semesters after re-start, the earned credits are less than or equal to 22 for GE / OBC or less than or equal to 18 for SC / ST / PD students, then the registration will be terminated.
- (b) Each student is expected to earn at least 12 credits in each registered semester with an SGPA greater than or equal to 5.0. If the performance of a student at the end of any registered semester is below this minimum acceptable level, then he/she will be placed on probation, a warning shall be given to him/her and intimation sent to the parents.
- (c) A student placed on probation shall be monitored, including mandatory attendance in classes, special tutorials and mentoring. Mentoring would comprise structured guidance under a senior/postgraduate student.
- (d) If the performance of a student on probation does not meet the criterion in item (b) in the following registered semester, then the student would face termination, and will be permitted to register by the Dean, Academics only if the department makes a favourable recommendation. The Head of the Department's recommendation shall be prepared after consultation with the student, and should include (i) feasibility of completing the programme requirements, and (ii) identification of remedial measures for the problems leading to poor performance.
- (e) The registration of any student will be limited to 1.25 times the average earned credits of the previous two registered semesters, subject to a minimum of 12 credits and a maximum of 26 credits.
